Dear Dr. -

We hope very much to resume next winter for the fall term the series of sermons which have been given in the University for so many years. Last winter owing to shortage of coal they were discontinued in the spring term. It would be a great pleasure to us if you could find it convenient to preach for us on some Sunday in the months of October, November and the first half of December. Would you be kind enough to suggest several alternative dates so that we may be in a position to arrange our programme ? I am sure that we shall greatly appreciate the favour that you confer upon us by taking one of our services.

Yours sincerely,
